Temporary Worship Location

has in store.”*

To our dear Church family,

We're excited to share that our Sunday worship services will temporarily be held at Túon Coworking Space – Molo Branch for seven Sundays, beginning October 19 until November 30.

During this period, Túon Coworking Space will be closed to the public from 9:00 AM to 12:00 PM every Sunday to give way for our church service. Their operations will resume at 1:00 PM for the rest of the day.

We are deeply thankful for Túon's generosity in opening their doors to our community during this time of transition.

Moving to Our Permanent Home

We are overjoyed to announce that starting December 7, our Sunday worship services will be held at our new and permanent home — Twinbee Print Ads Corp (Current Office), located along General Luna, at the center of the city, easily accessible and on the ground floor.

This move marks a beautiful milestone in our journey together. Our new space will be a place to grow deeper in faith, build stronger relationships, and continue the mission God has entrusted to us.

We can't wait to celebrate this new chapter with you — to fill our new home with worship, fellowship, and God's presence!
